Sunday 06.06.10	East District Open Championships	S1 - 10.00 S2 - 14.30	Fife Institute of Sport Glenrothes

Times are expressed as Start Times. Please report at least 30 minutes before the start time. Referees and Recorders should report One Hour before the start time.

All East District Officials are welcome to attend any of the above events.

(Participating Clubs will be required to provide a minimum number of officials per session depending on accepted entries.)

Special Note 1. – Because the Age Group Championships on 6th & 7th February is primarily long distance events, the number of Technical officials that Clubs have to provide will probably not cover accreditation requirements. For that reason we will require additional officials, therefore, if you wish to volunteer your services in addition to your Club's requirements, please do not hesitate to confirm your attendance to Andrew McRoberts, STO Convenor. (e-mail - a.mcroberts@btinternet.com)

Special Note 2. – Please note the venue for the Edinburgh International for 2010. Because it is in Glasgow, we would encourage car sharing by officials where possible.

Finally, it is intended the East District will run a Long Course Time Trial. The event will probably take place at NSA, Stirling, but that venue and the date is to be confirmed.
